EMERGENCY RELIEF FUNDING HIGHLIGHTS

OUR STORY

On March 15, the Foundation for MetroWest pivoted operations to focus on Covid-19 emergency relief. Within four months, we have been able to distribute over \$3.3 million to our non-profit partners and communities. More about our impact during this time follows.

OVER \$3M GRANTED IN EMERGENCY RELIEF

- \$421,000 from the MetroWest Emergency Relief Fund and Feed Framingham Covid-19 Fund
- \$2,155,000 from MA Covid-19 Relief Fund partnership
- \$285,000 from revised 25th Anniversary Grant Program
- \$112,239 from Lexington and Wellesley Town Funds
- \$415,801 from FFMW Donor Advised Funds

PROCESS

ANALYZE

Analyze the needs of our neighbors most impacted by Covid-19.

FUNDRAISE

Raise funds to be distributed to our non-profit partners.

REALLOCATE

Grant funds on a rolling basis as applications are submitted.

Impact by Type of Need

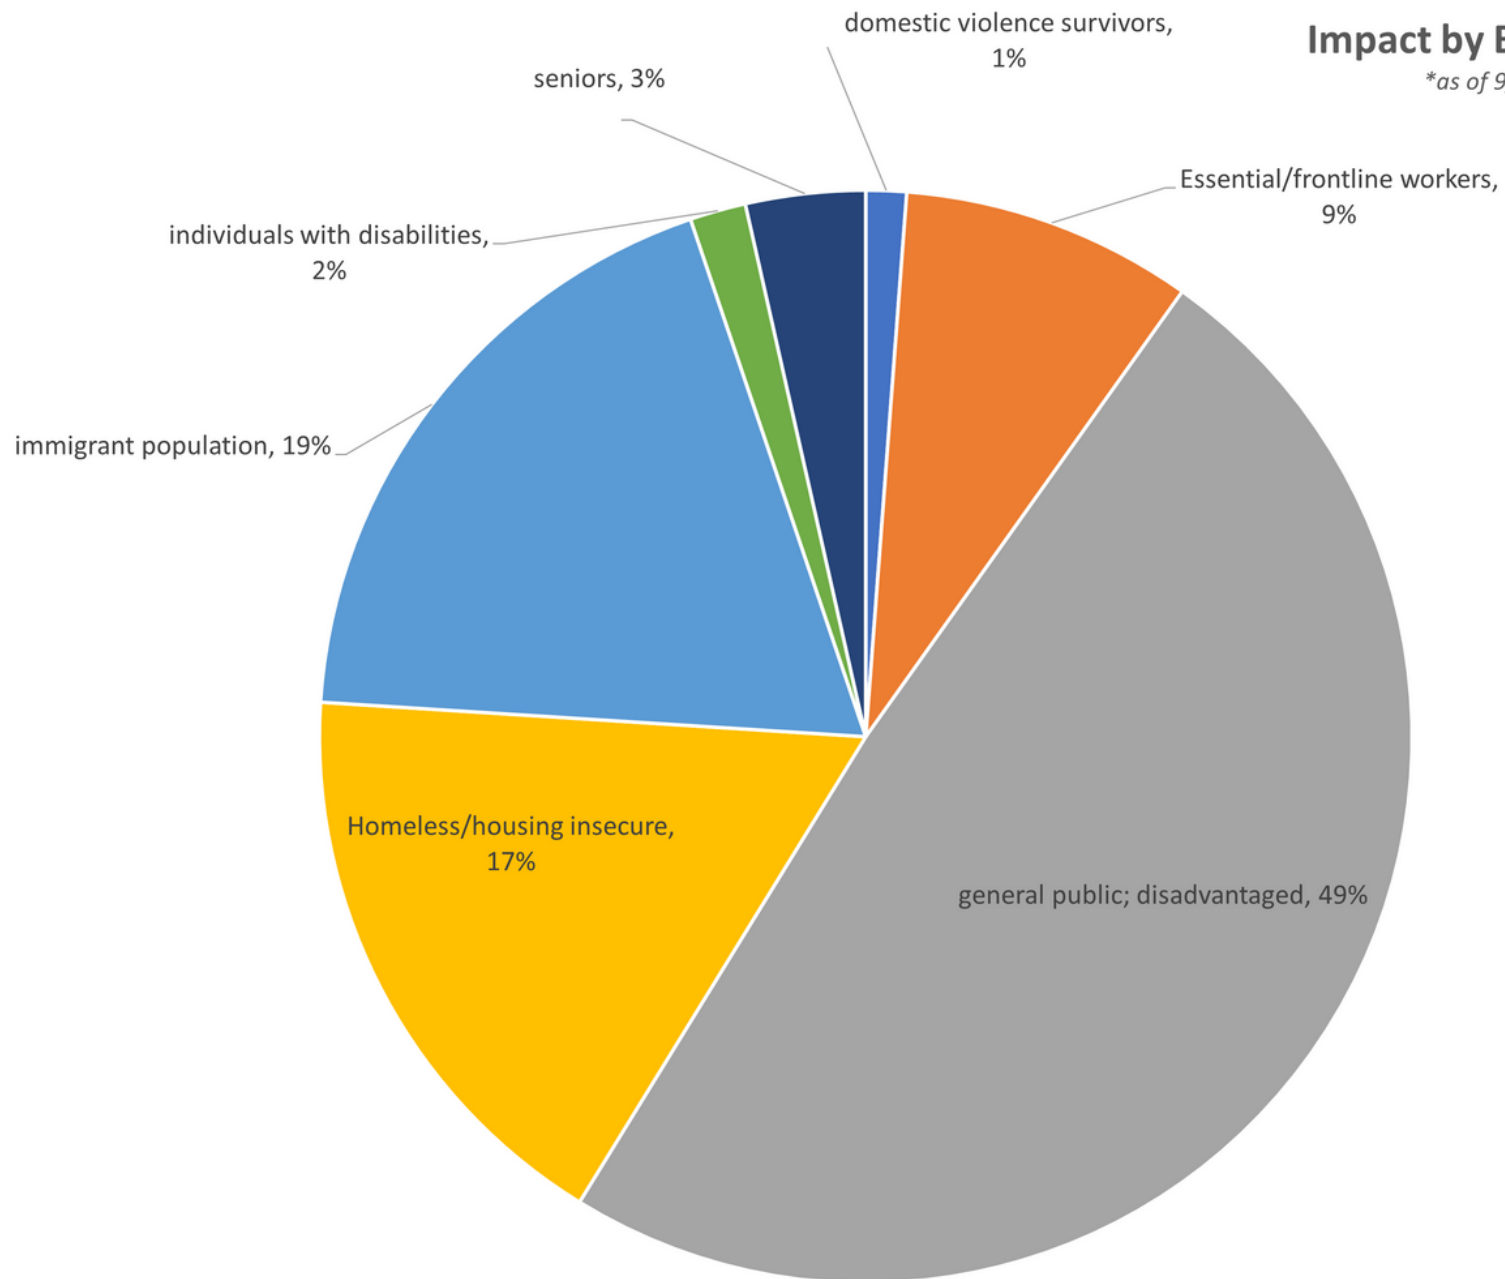

**as of 9/15/20*

Covid-19 exacerbated many of our region's vulnerabilities. From food and housing insecurity to basic needs, here is a break down of the distribution our emergency relief funding by need, with majority of the funds supporting food and basic hygiene assistance.

Impact by Beneficiary

**as of 9/15/20*

These funds were used to assist many of our neighbors from all walks of life, with nearly 50% of the funds assisting the general public. This chart provides a full breakdown of how grants were distributed to beneficiaries.

Impact by Community

**as of 9/15/20*

As the only community foundation serving MetroWest, it was important for us to support as many towns as possible during this time.
